

### **Exercise: Align these pairs of words or phrases**

Create the 'best' alignment for each pair. What 'best alignment' means is up to you, but you should think about how you will justify your choice.

#### **Pair 1**

center      &      centro

#### **Pair 2**

camaraderie      &      cámara

#### **Pair 3**

asistir      &      assist

#### **Pair 4**

vermiforme      &      formación
